## **REASONS FOR ALLOWANCE**

### ***Allowable Subject Matter***

1. The following is an examiner's statement of reasons for allowance: the instant application is deemed to be directed to a nonobvious improvement over the invention patented in US Patent 5,864,146. The improvement comprises in combination with other recited elements, wherein said imaging is performed after said detector is moved inside the housing to a place close to the chest wall of the subject, and said reading is performed after said detector is moved inside the housing to a place remote from the chest wall of the subject as recited in claim 1 (and dependent claims 5 and 6) and wherein said apparatus is configured to pick up a breast image by irradiating radioactive rays passed through the breast on said detector at a place close to the chest wall of a subject, and read out said breast image by mechanically scanning said detector with said reading light scanning means, and generating said electric current at a place remote from the chest wall of the subject as recited in claim 3 (and dependent claims 7 and 8).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
